Bangladesh University of Engineering and Technology

Subject: Application for authentication for campaigning and fund raising

Sir,

With due respect and humble submission, we, the Students of Batch 2011 of this institution, would like to draw your kind attention to the following fact that our friend Shariful Hasnine Sabuj's (Dept: Computer Science & Engineering, Student ID: 201105045) father Salim Uddin Bhuiyan, a retired school teacher of Jafarnagar Aparnacharan High School, Shitakund, has been suffering from Liver Cancer (Hepatocellular Carcinoma) and Liver Cirrhosis for more than two months. We also like to notify you to the fact that our friend's elder brother, Intiaz Hasnine Shaown, was also a student of this institution (Batch 2007, Dept: Civil Engineering, Student ID: 200704155). As the expenditure of the treatment is about Eighty Lakh taka (80,00,000 BDT), it has become quite impossible for his family to bear the cost of the treatment. We have already tried to collect money from different points of Dhaka city like traffic signals, trade fair. But as the amount is too dear we haven't yet managed the lion share of the money. In this situation a handsome monetary help from our faculty members will enhance our efforts.

Under the above circumstances, we hope that your honor would be kind enough to take initiatives of enriching the fund and oblige thereby.

Sincerely yours,

Dhiman Goswami (Student ID: 201105057, Phone no: 01940838818)  
Rudra Ranajee Saha (Student ID: 201105099, Phone no: 01675671444)  
On behalf of  
the Students of Batch 2011
