

## 1<sup>st</sup> National Conference on Intelligent Computing & Information Technology

The Honorable Vice-Chancellor  
Bangladesh University of Engineering and Technology  
Dhaka-1000

Subject: **Request for nomination of two faculty members from your university to attend NCICIT 2013**

Dear Sir,

It is our immense pleasure to bring to your kind notice that the Department of Computer Science & Engineering of Chittagong University of Engineering & Technology (CUET) is going to organize the 1<sup>st</sup> **National Conference on Intelligent Computing and Information Technology (NCICIT2013)** on the **21<sup>st</sup> November, 2013** at its own campus. The purpose of the Conference is to provide a common forum for researchers, scientists, engineers, and practitioners throughout the country to present their latest findings, ideas, developments, and applications in all areas of Computing and Information Technology. The theme of this conference is the *"Recent Trends in Computing and Information Technology"*.

The conference is expected to be a prestigious platform of getting together a huge number of local participants from different public and private universities. This event will stimulate the research and knowledge base in rural developing areas of south east region of Bangladesh. The detailed information regarding the conference is available at <http://www.cse.cuet.ac.bd/ncicit2013/>. Here is attached the call for paper and poster of the conference for your greater conveniences. We would really be grateful to you if you could kindly take necessary steps for circulating the call for paper and poster among students, faculty members and researchers to your university.

We cordially invite you to participate in the conference and humbly request to **nominate two respected faculty members from your university** to attend the conference. Your cooperation will encourage our researchers and scientists in developing a strong research base and help to carry on the bonding among us through your active participation in the conference.

Thank you.

Sincerely,

Kaushik
