## Call for Participation

Dear Sir,

I am the Technical Program Committee Chair of the 1st Bangladesh Electronics Olympiad, 2015 which is going to be held at Curzon Hall, University of Dhaka on December 11, 2015. This event is a national electronics competition for tertiary level (undergraduate) students. The competition aims to introduce important concepts of electronics, develop flexibility in solving problems, strengthen intuition, foster creativity and ingenuity in the field of electronics and provide the satisfaction, joy and thrill of meeting challenges. The goals of this Olympiad is to:

- ◆ Increase interest in electronics among young specialists
- ◆ Understand the level of knowledge in the field of electronics among young specialists in participating institutions in order to make necessary adjustments in educational programs
- ◆ Stimulate further development of electronics
- ◆ Recognize and inspire young, talented undergraduate students
- ◆ Create a community of young specialists involved in electronics

I am privileged to invite participants from your institution to take part in the Olympiad and project exhibition. There will be attractive prizes for the winners and certificates for all participants. The last date of registration is November 25, 2015. For registration details, please visit our website: <http://eo-bd.org/>. I look forward to meet participants from your institution.

With warm regards,

Prof. Rezaul Karim Mazumder, PhD

Chair, Technical Committee
