Dear Bangladesh Embassy Team,

We, Encess Ltd., official promoter of the Japan Robot Exhibition iREX 2015, would like to amiably invite you to the International Robot Exhibition to be held from December 2nd to 5th this year at Tokyo Big Sight. Here is a brief description with special invitation to your esteemed office.

With the robots technology showcase plan for world, The 21st Annual International Robot Exhibition (iREX), a grand robot exhibition is to be held as a joint venture of Japan Robot Association and the Nikkan Kogyo Shimbun in December 2015. This exhibition includes about 400 plus domestic robot manufacturers and related businesses and over 50 international exhibitors. Approximately 100,000 domestic technicians and professionals are expected to participate from different fields like Electronics, Automotive etc. along with foreign participants. The mass event certainly makes iREX 2015 an international event. The leading exhibits include industrial robots working in manufacturing industry with real manufacturing environments, robotic demonstrations, and overwhelming visitors to touch and experience the latest developments in robotic technology of Japan.

With that being said, we are cordially inviting H.E., Ambassador, Chief Officer, Economic and Trade section of your country businessmen representatives, possible delegates to attend this expo either of the 4 days of the event.

Should your higher offices would participate in the event, we request you to provide us the visiting schedule so that we could make possible arrangement for guided tour at Expo site by coordinating you in meetings with the prominent companies. Also should a huge delegation would be required to be invited and supported from your designated country, please let us know the help required. We will co-ordinate for connecting the best possibilities. We hope that this interaction will bring opportunities beyond cross border, cultural and technological.

We look-forward for your consideration to participate and consideration.

Have a nice day!

Regards,  
-iREx 2015- Global Coordinator
