Notice for L-4/T-II Students

All prospective students of L-4/T-II for the July 2025 semester are hereby instructed to submit their preferences for the following optional courses. CSE 471 (Machine Learning) will be allocated to all the students (no choice required). Each student must provide their choice of order for the following two courses. Eventually, each student will get two optional courses.

Course	Max Seats
CSE 411 - Simulation and Modeling	~60
CSE 461 - Algorithm Engineering	~60

Each student has to provide their choice order for the following four HUM courses. Eventually, each student will get one optional course.

Course	Max Seats
HUM411 - Business Law	~30
HUM477 - Sociology for Science and Technology	~30
HUM479 - Government	~30
HUM481 - Entrepreneurship for IT Business	~30

The step-by-step instructions for giving options are enclosed. The deadline for providing options is **November 29, 2025 (Saturday) at 7 PM**.

Procedure

1. Go to the CSE departmental website (<https://cse.buet.ac.bd>) and log in using your department credentials.
2. After successful login, click the ‘Optional Course L4T2’ menu item.
3. You should get the following form. Please fill out your choice order for the offered courses with the numbers 1-2 (with one (1) being the most preferred choice and (2) being the least preferred choice) for CSE courses and numbers 1-4 (with one (1) being the most preferred choice and (4) being the least preferred choice) for HUM courses. Each field is required.

The screenshot shows a web-based form titled 'L-4 T-2 Course Option Submission Form'. At the top, there is a note: 'C.O. = Choice Order' and 'Please fill out each option. Choice 1-4 [with one(1) being the most preferred choice and four(4) is the least preferred choice]. Each field is required. Submit your choice carefully. You can submit your choice only one time and you cannot change/update your option once you have submitted.' The form is divided into two main sections: 'CSE Option: *' and 'HUM Option: *'. The 'CSE Option' section contains two rows of course options: 'C.O.' followed by 'CSE411: Simulation and Modeling' and 'C.O.' followed by 'CSE461: Algorithm Engineering'. The 'HUM Option' section contains four rows of course options: 'C.O.' followed by 'HUM411: Business Law', 'C.O.' followed by 'HUM477: Sociology for Science and Technology', 'C.O.' followed by 'HUM479: Government', and 'C.O.' followed by 'HUM481: Entrepreneurship for IT Business'. At the bottom, there is a 'Submitted By:' field containing '1305122'.

4. Save a copy of the confirmation page.
