Procedure

1. At first, go to the CSE departmental website (<http://cse.buet.ac.bd>) and log in using your department credential.

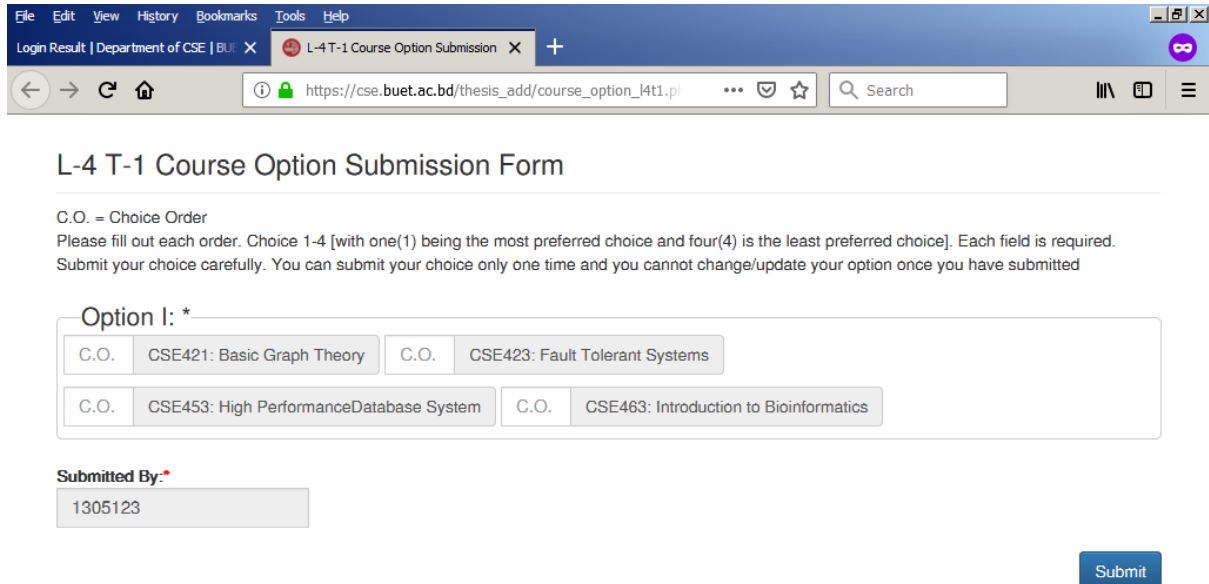

2. After successful log in, you should get the following screen (with your username).

Department of Computer Science and Engineering (CSE) Bangladesh University of Engineering and Technology (BUET)

3. Here in the left panel you will get 'Optional Course L4T1' menu option; click on this option. You should get the following form:

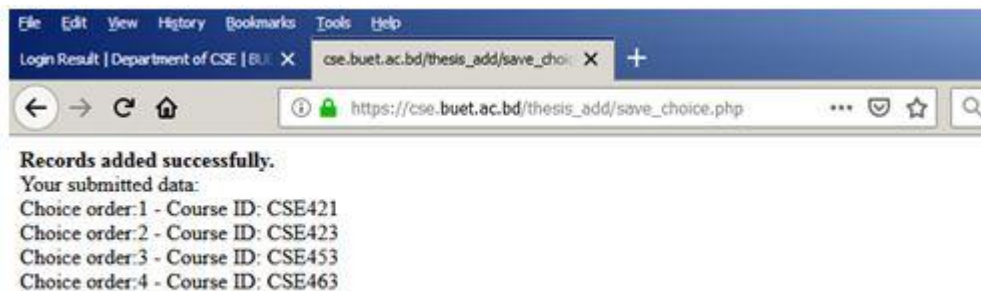

The screenshot shows a web browser window with the URL https://cse.buet.ac.bd/thesis_add/course_option_l4t1.php. The page title is "L-4 T-1 Course Option Submission Form". Below the title, there is a message: "C.O. = Choice Order. Please fill out each order. Choice 1-4 [with one(1) being the most preferred choice and four(4) is the least preferred choice]. Each field is required. Submit your choice carefully. You can submit your choice only one time and you cannot change/update your option once you have submitted". The form contains four input fields for "Option I: *", each with a "C.O." label and a course ID: "CSE421: Basic Graph Theory", "CSE423: Fault Tolerant Systems", "CSE453: High Performance Database System", and "CSE463: Introduction to Bioinformatics". Below the form, there is a "Submitted By:" field with the value "1305123" and a "Submit" button.

4. Please fill out each order. Choice 1-4 [with one (1) being the most preferred choice and four (4) is the least preferred choice]. Each field is required.

Submit your choice carefully. You can submit your choice only for one time, and you cannot change/update your option once you have submitted.

The screenshot shows a web browser window with the URL https://cse.buet.ac.bd/thesis_add/save_choice.php. The page displays a confirmation message: "Records added successfully. Your submitted data: Choice order:1 - Course ID: CSE421, Choice order:2 - Course ID: CSE423, Choice order:3 - Course ID: CSE453, Choice order:4 - Course ID: CSE463".
