Dear Sir/Madam,

Greetings and best wishes from the Asian Institute of Technology (AIT), Bangkok, Thailand!

It is to be informed you that there are several full and partial **Scholarship/Fellowship** schemes available for competent potential applicants for perusing masters and/or doctoral degree study in Energy Field of Study. Therefore, we would appreciate if you can nominate few good applicants and also bring this to the notice of other potential aspirants so that they can apply on time.

AIT is one of the leading international institutions in the Asia-Pacific region committed to promote technological change and sustainable development through higher education, research and outreach more than 55 years with having current students and graduates from more than 40 nationalities and 91 countries, respectively.

Energy FoS offers Master and Doctoral Degrees in Energy, with areas of specializations,

- 1) Energy Technology,
- 2) Electric Power System Management
- 3) Energy Policy, Planning and Economics (previously Energy Economics and Planning)

In addition, Energy FoS as well as School of Management jointly offers Master and Doctoral Degrees in Energy Business, with areas of specializations approximately 50-50% from Energy and Business Administration, respectively.

For August 2015 semester intake, the deadline to receive complete application forms by AIT is **27<sup>th</sup> February 2015**. For latest updates and deadlines, please check <http://goo.gl/azidddr>.

For more details, you may also visit following websites:
