To whom it may concern,

Warm greetings from Korea University in Seoul, Korea.

Korea University, founded in 1905, is widely acknowledged as one of the country's oldest, largest and top-ranked universities in Korea. The university's academic breadth is extensive with its 100 departments in 23 colleges & Schools, and 24 graduate schools, 130 research institutes, 33 auxiliary facilities, impressive medical facilities and it has over 1,607 full-time faculty members and 27,259 undergraduate students and 10,541 graduate students.

KU has been ranked in 157<sup>th</sup> by US News & World Report in 2014. It has also been recognized as one of the top 100 universities worldwide in Art & Humanities and Social Science & Management. KU has now been established as a world class research oriented university.

Politics & Int'l Studies was ranked 42<sup>nd</sup>, Chemical Engineering was ranked 50<sup>th</sup>, Economics & Econometrics was ranked in 49<sup>th</sup> and Communications & Media studies was ranked 25<sup>th</sup> in the top 200 places by QS World University Rankings by subject 2014. KU has been ranked 26<sup>th</sup> in Times Higher Education Alma Mater Index Global Executives 2013.

College of Engineering and College of Life Sciences & Biotechnology in KU are continuously expanding academic exchange with notable Chinese universities in project 211 & project 985 (Chinese government funded program). Business School is the first school in Korea to be accredited by both AACSB and EQUIS, two prominent business school accreditations.

Korea University offers advanced Master's and Doctoral degrees spanning the humanities, social sciences, natural sciences and engineering. These programs share a number of distinctive and desirable features: a high level of engagement between distinguished faculty members, outstanding students and a campus environment. Complementing and enriching these degree-granting programs are a wide range of interdisciplinary units that promote intellectual activities and research across departmental and divisional boundaries.

KU is continuously seeking to create an environment for advanced cutting-edge research and state-of-the-art education to become a global leader and pioneer.

I would kindly ask you to disseminate the enclosed poster and make this known to your students. If you have any students who are interested in Graduate School program in Korea University, please feel free to contact us.

We are looking forward to hearing from you and thank you for your cooperation in advance.

Sincerely yours,

Ms. Jihyun Kim
